## OTHER REASONS OR FURTHER EXPLANATION:

Defendant is a 20 year old single male, father of one, who lives with his girlfriend in Lansing, MI. He is charged in a complaint with discharging a firearm, an Intratec Tec 9 semi-automatic pistol from the window of a moving vehicle on the freeway, US 127 near Jackson, Michigan on November 8, 2016. The incident was recorded by cell phone video by the SOI in the case. Specifically on November 8, 2016 Defendant met with an unknown male with dreadlocks in the male's apartment in Jackson, MI, exited the apartment with a newly acquired firearm, and then drove as a back seat passenger from Jackson MI to Lansing, MI. During the drive the SOI stated that Defendant rolled down the rear window and shot the Intratec Tec 9 semi-automatic pistol at least one time out the window while the car was moving down the highway. Defendant was convicted of Felony weapons, carrying concealed, in 30th District Court in Lansing, Michigan in 2015. He is currently under court supervision in Eaton County. Defendant's probation officer advises that Defendant is in absconder status, having not reported since January 2017. He was previously violated for being in possession of two firearms, and a violation hearing is set for 4/24/1/7. Defendant's criminal history is replete with his failures to comply with conditions of supervision due to new criminal conduct (his HYTA status was denied on 9/9/2015 in response to new criminal conduct following a conviction for Felony Motor Vehicle, Unlawful Driving Away). He was charged with Misdemeanor Stolen Property, Receiving and Concealing and was convicted in 2015, which offense occurred while he was on pretrial release. Defendant is charged currently in Lansing, Michigan with Felony Assault with Intent to Murder, Felony Firerms, Discharge in or at Building Causing Injury, Felony Weapons, Possession by a Felon Felony Weapons, Felony Firearm, and was granted bond on 3/15/17. A pretrial conference in that matter is scheduled for 4/20/17. Defendant currently has a PPO filed against him which expires 1/24/2018. Additionally he has an active felony warrant out of Mason, MI for Manufacture, Delivery and Possesssion of Marijuana. Defendant has a history of requiring therapy for anger management issues, he was diagnosed with ADD as a child, but chose to stop taking his prescribed medications in 2008. His employment history consists of one month working in Meijer's Warehouse in 2016, one month working at Williamston Products in 2016, and 7 months working at Michigan State University in 2015 in an unknown capacity. Pretrial Services has interviewed this Defendant and finds that he poses a risk of flight, and that he also poses a risk of danger to the community, and recommends detention based upon danger. This Court finds that there is clear and convincing evidence that Defendant poses a danger to the community, based upon the seriousness and nature of the instant charges in conjunction with Defendant's extensive and violent criminal history, which includes a pending case for felony assault and firearms charges. Defendant has failed dismally to comply with conditions of bond and supervision, and has violated his probation and is currently in absconder status. The statutory factors have been reviewed and analyzed, and this Court finds that there is clear and convicing evidence that Defendant poses a danger to the community. There is no condition or combination of conditions that would assure the safety of the community. Detention is therefore Ordered.

## Part IV - Directions Regarding Detention

The defendant is remanded to the custody of the Attorney General or to the Attorney General's designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The defendant must be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility must deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding.
